

## **Job Vacancy: Experienced Ecologist**

Salary: £27,000 p/a

Hours: Full-time / 37.5 hours per week

Duration: Permanent

Location: Based at home

### Our company

Archer Ecology Ltd is a small yet well-established ecological consultancy based in Lincolnshire and delivers a wide range of ecological services for projects in the conservation, development and transport sector both locally and nationally.

Following a positive year, we are looking to expand and are requiring an experienced Ecologist to join us on a full-time basis.

### Main duties

The role would be based from home and would require a combination of site and desk-based work. With guidance from a Principal Ecologist, the main duties would include:

- Completing Preliminary Ecological Appraisals and Biodiversity Net Gain assessments
- Assisting with protected species surveys, including reptile and bat surveys
- Working towards a senior position, including project management duties
- Data analysis, including bat call identification
- Ecological Clerk of Works

### Requirements

#### *Essential:*

- >3 years' experience in consultancy
- Positive attitude and flexible worker, with good organisational skills

- Minimum of BSc qualification in an environmental/ecological discipline
- Excellent reporting and communication (written and verbal) skills
- Driving licence and access to own transport

*Desirable:*

- MSc in in an environmental/ecological discipline
- Survey licence for great crested newts and bats
- Full CIEEM professional membership

Benefits

- Annual appraisals
- 1-2-1 Learning in the field and at home
- Expenses covered, including overnight accommodation, meals (where appropriate) and mileage from home
- Holiday entitlement (28 days, including bank holidays)
- Day off on birthday and complimentary leave period between Christmas and New Year
- Christmas bonus (depending on individual and company performance)
- Opportunities for overtime when working unsociable hours
- Working to TOIL policy

Applicants are required to send a CV and covering letter to Principal Ecologist Helen Archer BSc (Hons) MCIEEM ([helen@archerecology.co.uk](mailto:helen@archerecology.co.uk) / +447583 802069).
